

3 KEY Hornet Focus Areas

2020/2021 NHS Strategic Plan

1

Wellness Campus

All in - whole campus awareness & skill building
Amplify consistent messaging of wellness supports and increase all staff capacity to support students

Use Data in clear coordinated systems
Build and use screeners to coordinate student supports and monitor progress with clear protocols & communication tools.

Center Marginalized Student Voices
Develop affinity spaces and supports for black students, LGBTQ+ students and continue supporting EL Dreamers

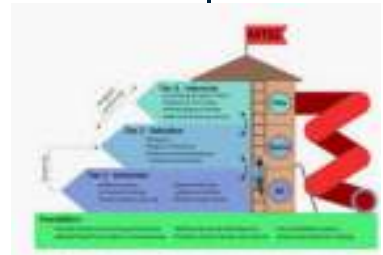

2

PBE

Leverage TLT

Use of proficiency scales to assess

Engaging research based teaching strategies
AVID, PBL, and Visible Learning Strategies in remote, hybrid, and in person settings

3

MTSS

PBIS
Positive Behavior Interventions and Support

Restorative Practices

Failure is not an option
Remediation strategies to decrease rate of F's to under 15%
