

# Novato High School Volunteer Opportunities

Volunteer your time and energy to our NHS community. There are many valuable ways to be involved at NHS. Whether you have half an hour to give or want to chair a committee, all volunteer hours and community involvement enrich our school, build our community and make a difference.

## Volunteer your time and make a difference

There are many organizations that serve Novato High School, offering a variety of programs, events and volunteer opportunities throughout the year. Please place a check mark next to all volunteer categories that interest you. You will receive a follow-up email(s) with more information for each area of interest.
